Answer

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (S SREENIVASA PRASAD)

(a) Yes Sir.

(b) A statement showing statewise production of sugar during the last three seasons and the current season, 2001-2002 is at Annexure-I. While the Statewise levy sugar quota is fixed and it has to be consumed in the State only, the freesale quota released in respect of the factories situated in one State can be consumed in the other States also as there is no restriction on movement of free sale sugar. It is, threfore, not possible to indicate Statewise consumption of freesale sugar. A Statement showing monthly levy sugar quota for distribution through the Public Distribution System for the last three sugar seasons and the current season is at Annexure-II(A&B)

(c) As on 1-10-2001 there were 508 installed sugar mills in the country comprising 283 of the Cooperative Sector, 67 of the Public Sector and the balance in the Private Sector. The Cooperative Sector and the Public Sector mills produced 116.03 (Provisional) lakh tonnes of sugar during the season 2000-2001.

(d) During the last season 2000-2001 (October-September) about 12.50 lakh tonnes sugar has been exported, as per the trade circles. The information in regard to the current crushing season is not yet available.

(e) As per DGCI & S, Kolkata 30612 tonnes of sugar has been imported during the last financial year 2000-2001 (April - March).

(f) The details of foreign exchange spent on the import of sugar are not available as the same has been imported by the various private parties under the Open General Licence as per their commercial prudence.
